

START POSITION: Facing targets, firearm at low ready, muzzle on table.

PROCEDURE

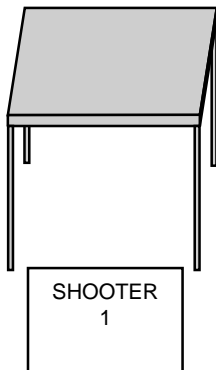

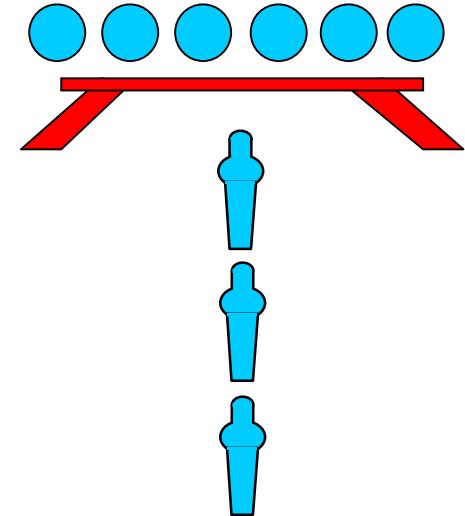

On signal, engage the 3 pepper poppers and then the 6 plates on the rack. Then engage the far pepper popper for the appropriate lane to stop the timer. Magazine changes may be made as required.

Each shooter will be run for time first to determine the sequence to allow for a double elimination match. All steel must fall!

2 Classes will compete: full auto and semi auto firearms.

Firearms allowed: full auto submachine guns or semi auto rifles/carbines in straight wall pistol caliber. (No M1 Carbines)

Course of fire subject to change.
