

**METACON** Gun Club  
**Class III**

**Targets:** 14 bases, 28 sticks, 11 paper targets & 8 no shoots. 7 tarps

**Tactical Tarps**

**PROCEDURE**

Shooter will start standing in front of either one of the big tarps. If starting on the left side tarp, shooter will engage all the targets in the far left area while "slicing the pie". Shooter will continue to each shooting stage to the right, slicing the pie at each location. If shooter starts on the right tarp, he will start at the far right shooting area and proceed to each stage to the left (reverse of the above) while slicing the pie. White targets with a "X" are no-shoot targets. All shoot targets must have 8 points total to neutralize.

Repeat course of fire.  
 (Course of fire subject to change without notice).
