

Class III Target Scoring

IFSC-P

Scoring Key:

A (Body) = 5 points

A (Head) = 8 points

B = 4 points

C = 3 points

D = 1 point

8 points total needed to neutralize target.

Be careful of neck shots. Example: 1 shot in the head in the B zone (4 points) and 1 shot just below the perforated line falls into C zone (3 points) which only equals 7 points. See above.
