

TARGETS: 10 IPSC, 9 bases, 1 swinger, tarps, table and barrel, swinger

HITS SCORES: Head A=8, Body A=5, B=4, C=3, D=1

Shooter starts standing behind table in Box 1 with gun at low ready. At the buzzer, Range Officer will pull the rope to activate swinger and shooter will engage the target with a minimum 8 points to neutralize the target. Shooter then moves to Box 2 and will engage the targets that he sees as he moves forward toward the barrel. Shooter must shoot on the move between Box 2 and Box 3. Shooter will take the remaining targets at Box 3 and then move to box 4 where he will engage the 2 targets. All paper targets must be neutralized. Course will be run twice. (Course of fire is subject to change)
