

BOWLING PIN SUBMACHINE GUN MATCH

RULES: Official Rules for NFA Submachine Gun Competitions, Latest Edition

DESIGNER: EPC (revised MLD)

START POSITION: At Match Director's choice, facing targets, firearm at low ready, muzzle on table.

PROCEDURE

On signal, engage all bowling pin targets in any sequence. Pins must be OFF the tabletop, then engage the stop plate for the appropriate lane to stop the timer. If the stop plate is engaged before all of the pins are off the table, the shooter will forfeit the match. Magazine changes may be made as required. Only **pistol caliber** subguns and **pistol caliber** rifles/carbines may be used.

Each shooter will be run for time first to determine the sequence to allow for a double elimination match.
